

What We Do and Services Provided

BRIEF OVERVIEW

CMM stands for Christ's Mandate for Missions. Founded as Correll Missionary Ministries by Sidney and Helen Correll in 1978, CMM is a 501c3 established in Charlotte, NC in 1978 by Sidney and Helen Correll. They were raised up, ordained and married by Aimee Semple McPherson in 1925.

In 2009 Rick Joyner invited CMM President, Jorge Parrott, to partner with MorningStar Ministries. Jorge serves as the Missions Director for MorningStar and remains the President of CMM. Jorge is also the President of MSU College of Theology. www.msutheology.org

Eagle Missions works across denominational lines to build and cultivate unity and maturity in the body of Christ that Jesus prayed for in John 17, and equips the Saints for the work of the ministry according to Eph 4.

OUR MISSION

To connect and equip the global Body of Christ with the simplicity, fullness, and power of the Gospel. Psalms 2:8

MorningStar/CM Missions helps connect people who are hungry for genuine, authentic relationships with the Lord and his creations and purposes globally to fulfill the Great Commission so that many can align with the Lord and our network of apostolic and prophetic leaders. Unlike many other ministries we send ninety to ninety-six percent of all funds received annually to the nations. We bring friends like you to the table of God's love for common unity, with heavenly strategies and divine encounters as we go on bold faith adventures to experience transformation in individuals, communities, and nations, for the glory of the Father. We are here to love, connect, equip, and send.

Mark 16:15-18 tells us to go into all the world and preach the Gospel with power and signs and wonders. Missions are not optional. We can radically impact individuals, communities, and nations with a transforming power of Jesus Christ.

OUR BELIEFS AND MANDATES

John 14:7 says, "the Kingdom of God is not meat nor drink, but righteousness, peace and joy in the Holy Spirit."

God is bringing us key, strategic connections, leaders, and team members in many nations. We have hundreds of ministry leaders, pastors and missionaries, who are trusted, proven, and fruitful.

We help plant and support churches, schools, and medical works. We offer many

services: spiritual covering, training, prophetic training and impartation, intercessors praying for our network family, speakers for training, seminars, and conferences in churches and the marketplace. We also have trained ministers to offer counseling, rest and comfort to our fellowship of pastors and leaders. We connect people, resources, and gifting for the building of God's Kingdom.

We desire transformation in our own lives and in those God connects us with in the communities He sends us to. We desire to cooperate with the Spirit of God to bring fullness of joy, and all the benefits of the Holy Spirit to as many lives as He will allow us to impact before He returns.

We help ministers, churches, and missionaries with donor relations in many areas, such as donor tax receipts, itineration, prayer covering, and financial accountability, along with donor relations.

GENERATIONAL BLESSING AND TRANSFORMATION:

Mantles are passing and many have been passed. We are blessed to carry on the rich legacies of some of the great ministries and families of the 20th century: from roots dating back to Aimee Semple McPherson, Sidney and Helen Corrells, the founders of CMM, Alfred Garr Sr., Nate and Phil Saint, and with leaders like Rick Joyner, Shawn Bolz and many others, to the current and future generations of faith heroes; we are positioned strategically for the work ahead with mature and experienced leaders and younger emerging leaders.

We are called to shift the paradigm thinking in ourselves and in the native pastors from being dependent on the US dollar and entitlements, to training the natives to experience personally the power, presence, and love of God. As they learn and trust God as their source, not the US dollar, we are seeing amazing fruit not just in self-sufficiency or independence, but also in utter God dependency.

We work in areas of missionary and pastoral development, leadership and discipleship training, Christian Education and Schools, humanitarian aid and disaster relief, stopping human trafficking, widows/orphan care, and more.

POLICIES

The vision of **MorningStar/CM Missions (CMM is Christ's Mandate for Missions)** is to impact the earth with the fullness of joy we have through Jesus Christ (Psalm 16:4).

We pray you will fulfill all the amazing purposes you were created for! We want to see individuals and communities transformed by the love and power of Father God through Jesus Christ, empowered and led by the Holy Spirit. We desire to build deepening and trusted relationships with our partner ministers, and this takes time.

Our Primary Objective is to Love, Equip, Connect and Send

We accomplish our vision primarily through **loving, equipping and releasing leaders** in the global Body of Christ with the simplicity, fullness and power of God. We currently partner with over 500 ministries in 69 nations worldwide by serving alongside friends involved with church planting, discipleship, humanitarian aid, disaster relief, clean water, education, anti-human trafficking, hearing the voice of the Lord, leadership development, and more.

(More information on <http://eaglemissions.org/about/visionmission>. See also our Statement of Faith at <http://eaglemissions.org/about/statement-of-faith/>).

We offer discipleship, ministry resources, fellowship and spiritual covering for our network members on the frontlines globally, in order to transform individuals, communities and nations.

If our vision and mission resonate with your heart, we welcome the opportunity to connect with you and your ministry. Please allow us to get to know you by sending to us **your vision, testimony, ministry updates, photos, videos, and news** so our intercessors and staff can pray for you.

It is important to *"know them which labor among you"* (1 Thessalonians 5:12, KJV). As we get to know and trust each other we can then labor together to do our part to fulfill the Great Commission in the way Jesus intended (John 17; Psalm 2:8; 133).

Trusting the Lord and Shifting Our Thinking

Everything we do is based on relationship and faith. **Every CMM network member is responsible for raising their own support** (We are ready to supply you with *Partnership Development training* if you need it).

CMM raises funds for designated purposes such as specific missionaries, churches, and projects. We do not have general funds for meeting all requests but raise funds for specific people and purposes. Everyone, including the volunteers who work at CMM, have to raise their own support. It is a day by day reliance on HIM!

On rare occasions, we have funds given to us for urgent needs, we evaluate all the numerous requests in front of us before agreeing to a **one-time** donation. This does not mean we are committing to monthly support.

If you already have partners who support you financially and they wish to send their funds for you through CMM we are equipped to provide the full range of donor relations (including tax donation receipts and year-end total giving letters.)

*** Please note: If your primary goal is to find an organization to financially support your ministry, CMM will not meet your expectations unless you already have a steady stream of donations you wish to have sent through CMM.**

“Silver or gold I do not have, but what I do have I give you. In the name of Jesus Christ of Nazareth, walk!” (Acts 3:6)

We believe it is important to shift our thinking from being dependent on foreign aid, and instead focus on **training native leaders to personally experience the power, presence and love of God. Only then can we learn to trust God as our Source who can meet all our needs.**
