

CMM /MorningStar Missions (also known as EagleMissions)

Agreement To Serve God as a Missionary/Revivalist

## MISSION

***To connect and equip the global Body of Christ with the simplicity and power of the Gospel.***

Building on the rich legacy of Aimee Semple McPherson and Sidney and Helen Correll, Eagle Missions is a network of existing, proven, and new ministers and leaders globally. Eagle Missions helps connect people who are hungry for genuine, authentic relationships with the Lord and his creations and purposes globally to fulfill the Great Commission so that many can align with the Lord and our network of apostolic & prophetic leaders. Unlike many other ministries we send ninety to ninety-six percent of all funds received annually to the nations. We bring friends like you to the table of God's love for common unity, with heavenly strategies and divine encounters as we go on bold faith adventures to experience transformation in individuals, communities, and nations, for the glory of the Father. We are here to love, connect, equip, and send.

## VISION AND MISSION

**MOTTO** *"We will use our ministry to build people; we will not use people to build ministry."*

**MISSION:** *Love, Equip, Connect and Send*

MorningStar/CMM Missions exists to be a temple of the Lord and a global fellowship of those in pursuit of God. We are resolved to love Him above all things and love one another as we have been commanded. We seek to fulfill the Ephesians 4 mandate to equip the saints for the work of the ministry, and help each other know their calling and be prepared to fulfill it.

We are committed to help prepare the way for the Lord by fulfilling the Great Commission to make disciples of all nations, not just convert. We believe the command to go into all the world with the Gospel is not only geographical but is also a calling to every cultural and social center of influence: family, arts, entertainment, business, education, government, media, and religion.

**VISION** To be an apostolic teaching resource and prophetic community, devoted to free and pure expressions of worship, as the King deserves so that with joy the Bride will be prepared and ready for the coming Bridegroom, Jesus. To be an End-time expression of the City of God and the Army of God.
