

CMM stands for Christ's Mandate for Missions. Founded as Correll Missionary Ministries by Sidney and Helen Correll in 1978, CMM is a 501c3 established in Charlotte, NC in 1978. The Corrells were raised up, ordained and married by Aimee Semple McPherson in 1925.

CMM World Missions exists outside church walls with diverse friends and hearts knit together to cultivate unity and maturity in the body of Christ. Jesus prayed for this in John 17. We are called to equip the Saints for the work of the ministry according to Eph 4:13 "till we all come to the unity of the faith and of the knowledge of the Son of God, to a perfect man, to the measure of the stature of the fullness of Christ." CMM is called to equip the local church on a global scale.

Our Mission

To connect and equip the global Body of Christ with the simplicity, fullness, and power of the Gospel. Matthew 16:15-18

CMM World Missions connects people who are hungry for genuine, authentic relationships with the Lord and his purposes globally to fulfill the Great Commission so that we may align with the Lord in our network of apostolic and prophetic leaders. Unlike many other ministries we send ninety percent or more of all funds received annually to the nations. We bring friends like you to the table of God's love for common unity, with heavenly strategies and divine encounters as we go on bold faith adventures to experience transformation in individuals, communities, and nations, for the glory of the Father. We are here to love, connect, equip, and send.

VISION

The vision of **CM World Missions (CMM is also known as Christ's Mandate for Missions)** is to impact the earth with the fullness of joy we have through Jesus Christ (Psalm 16:4).

We pray you will fulfill all the amazing purposes you were created for! We want to see individuals and communities transformed by the love and power of Father God through Jesus Christ, empowered and led by the Holy Spirit. We desire to build deepening and trusted relationships with our partner ministers, and this takes time.

Our Primary Objective is to Love, Equip, Connect and Send

We accomplish our vision primarily through **loving, equipping and releasing leaders** in the global Body of Christ with the simplicity, fullness and power of God. We currently partner with over 500 ministries in 70 nations worldwide by serving alongside friends involved with church planting, discipleship, humanitarian aid, disaster relief, clean water, education, anti-human trafficking, hearing the voice of the Lord, leadership development, and more.

(More information on what we believe see also our Statement of Faith at <http://cmm.world/about/statement-of-faith/>).

We offer spiritual covering, discipleship, ministry resources, fellowship for our network members on the frontlines globally, in order to transform individuals, communities and nations.

If our vision and mission resonate with your heart, we welcome the opportunity to connect with you and your ministry. Please allow us to get to know you by sending to us **your vision, testimony, ministry updates, photos, videos, and news** so our intercessors and staff can pray for you.

It is important to “*know them which labor among you*” (1 Thessalonians 5:12, KJV). As we get to know and trust each other we can then labor together to do our part to fulfill the Great Commission in the way Jesus intended (John 17; Psalm 2:8; 133).

John 14:7 says, "the Kingdom of God is not meat nor drink, but righteousness, peace and joy in the Holy Spirit."

We firmly believe in meaningful, loving relationships and provide you with prayers and spiritual covering, leadership training, prophetic training and impartation, intercessors praying for our network family, speakers for training, seminars, and conferences in churches and the marketplace. We also have trained ministers to offer counseling, rest and comfort to our fellowship of pastors and leaders. We connect people, resources, and gifting for the building of God's Kingdom.

We desire transformation in our own lives and in those God connects us with in the communities He sends us to. We desire to cooperate with the Spirit of God to bring fullness of joy, and all the benefits of the Holy Spirit to as many lives as He will allow us to impact before He returns.

We help ministers, churches, and missionaries with donor relations in many areas, such as donor tax receipts, itineration, prayer covering, and financial accountability, along with donor relations.

Generational Blessing and Transformation-Hebrews 11:37-40

Mantles are passing and many have been passed. We are blessed to carry on the rich legacies of some of the great ministries and families of the 20th century: from roots dating back to Aimee Semple McPherson, Sidney and Helen Correls, the founders of CMM, Alfred Garr Sr., Nate and Phil Saint, and with leaders like Rick Joyner, Shawn Bolz and many others, to the current and future generations of faith heroes; we are positioned strategically for the work ahead with mature and experienced leaders and young emerging leaders.

We are called to shift the paradigm thinking in ourselves and in the native pastors from being dependent on the US dollar and entitlements, to training the natives to experience personally the power, presence, and love of God. As they learn and trust God as their source, not the US dollar, we are seeing amazing fruit not just in self-sufficiency or independence, but also in utter God dependency.

CM Mission Policy Regarding Missionary Funds

Trusting the Lord as He Shifts Our Mindset and Lens

Everything we do is based on relationship and faith. **Every CMM network member is responsible for raising their own support** (We are ready to supply you with *Partnership Development training* upon request.)

CMM raises funds for designated purposes such as specific missionaries, churches, and projects. We do not attempt to have general funds for meeting all requests. We raise funds as the Lord leads for specific people and purposes. Everyone, including the volunteers who work at CMM, have to raise their own support. It is a day by day faith reliance on HIM!

On rare occasions we have funds given to us for urgent needs or to help in disaster relief efforts. We evaluate all the numerous requests in front of us before agreeing to a **one-time** donation. If you receive support once from us do not think it will be every month.

If you already have partners who support you financially and they wish to send their funds for you through CMM we are equipped to provide the full range of donor relations (including tax donation receipts and year-end total giving letters.)

*** Please note: If your primary goal is to find an organization to financially support your ministry, CMM will not meet your expectations unless you already have a steady stream of donations you wish to have sent through CMM.**

“Silver or gold I do not have, but what I do have I give you. In the name of Jesus Christ of Nazareth, walk!” (Acts 3:6)

We believe it is important to shift our thinking from being dependent on foreign aid, and instead focus on **training our network members to personally experience the power, presence and love of God. Only then can we learn to trust God as our Source ‘who does meet all our need according to his riches in glory.’ Phil 4:19**
